PROFILE

I am 20-year-old sound enthusiast exploring Audio Post-production for Games and media (Animations/Films/TV) with strong foundation of music, sound design and classical guitar performance.

- Proficient in **FL Studio** and **Reaper** for **audio editing, mixing, mastering, sound design and music creation.** comfortable with other DAW's such as Pro Tools, Cubase, Ableton, etc.
- Actively learning audio middleware tools such as **FMOD/Wwise.**

Motivated to learn more about game development and actively collaborate with artists, sound designers and game developers.
