PROFILE

I am 20-year-old sound enthusiast pursuing **music creation** and **audio post-production** for games and media (Animations/Films/TV) with strong foundation in sound design and classical guitar performance.

- Proficient in **FL Studio** and **Reaper** for **music composition, sound design, audio editing, mixing, and mastering**; comfortable with other DAWs such as Pro Tools, Cubase, Ableton, etc.
- Actively learning audio middleware tools - **FMOD/Wwise.**

Motivated to learn more about game development and actively collaborate with artists, musicians, sound designers and game developers.
