NIKA ABASHIDZE

SOUND DESIGNER | MUSICIAN | GUITARIST

PROFILE

I am a Sound Designer and Musician crafting custom audio and music for games, animations, and linear media. Having a strong foundation in classical guitar performance and music theory, alongside a background in Computer Science, helps me look at sound design from both a musical and technical angle.

- Proficient in **REAPER** and **FL Studio** for sound effects creation, audio editing, music composition, mixing, and mastering; adaptable to other industry DAWs such as Pro Tools, Cubase, and Ableton Live.
- Actively learning audio implementation in **UE5** with **Wwise/FMOD**.

Motivated to actively collaborate with game developers, artists, and musicians to gain further experience and skills in interactive sound design and music composition.
